श्रद्धावान लभते ज्ञानम्

जब तक विद्यार्थी की विषय तथा शिक्षक के प्रति श्रद्धा न हो तब तक उसे तत्त्वज्ञान की प्राप्ति नहीं हो सकती।

यदि छात्र का किसी शिक्षक से विरोध है या किसी विषय से विरोध है, तो वह कभी शिक्षक के द्वारा दिये जाने वाले ज्ञान को सही तरह ग्रहण नहीं करेगा और न ही कर पायेगा क्योंकि उसके मन में विरोध की भावना है। उसे वह शिक्षक और उसकी शैली या वह विषय दोषयुक्त ही दिखाई देगी।

ठीक उसी प्रकार किसी भी धर्म की पुस्तकों को विरोध भाव से पढ़ लेने मात्र से उसके सूक्ष्म तत्त्वों को नहीं समझा जा सकता। वह दोषयुक्त ही दिखाई देगा। परन्तु यदि उसे श्रद्धा रखकर व विरोध भाव को मिटाकर अध्ययन किया जाये तो अवश्य ज्ञान की प्राप्ति होगी।

अर्थात् विषय या शिक्षक के विरोध से कभी ज्ञानार्जन नहीं हो सकता। इसलिये ही कहा गया है कि श्रद्धावान मनुष्य ही ज्ञान प्राप्त करता है।

Welcome to Torus Education

Torus Education is one of the leading and upcoming institutes in today's competition field with good infrastructure, delightful and picturesque background. It is a very successful institution of India since the year 2008.

The aim of Torus Education is to provide quality education for the aspiration of students at a minimal fee. Torus aims to train students who are well prepared to successfully meet the strong conceptual foundations and challenges of the times to come.

Today, due to the increasing competition in the country, it is very important to prepare students accordingly. In Torus, we have always understood this very well and Torus students are molded accordingly. Torus, the successful institute of India is not only because the students are well taught here, but also because the students are taught according to today's competitive era. Such learning ensures a healthy competition among all Torus students, which further helps them to improve in future.

WELCOME

Director's Message

Dr. Balbir Aggarwal

Dear Parents/Guardian,

Torus Education is working hard to shape and build the global careers of young people. In pursuit of excellence, we want to develop quality education and innovative ideas.

Torus Education is doing its best for education. We are living in a global era of intellectual capital and knowledge is within the scope of the economy. Torus strives to achieve its cherished objectives in collaboration with excellent staff, who we meet through written exams and personal interviews. Torus has developed a better process of pedagogy and it is this quality that enables students to participate and develop infrastructure.

Torus Education believes in creating new perception and increasing knowledge in addition to dissemination of information based on constructive competitive advantage over other competing educational institutions. Torus intends to have a true sense of responsibility and accountability by developing a high benchmark of performance for all students.

As a director, I would like to create a cohesive, engaging and loving environment in the field of education. And I am fully confident that with the support of highly talented faculty, talented management, other subordinate staff and all my lovely students, I will always carry out this work.

Best wishes to all students seeking admission. I would like to invite you and your parents/guardian to realize this difference and be part of our Torus family.

A stylized green ink signature, appearing to be 'BA', written over a white background.

DIRECTOR
TORUS EDUCATION

Why Torus?

Torus Education believes in quality education. The academic efforts with the modern techniques and trends of education are fully filled with the meaning and the purpose, which the demand of time. Torus is not just an institute where the curriculum is taught by the old way rather it is the institute where students prepared for the competition.

Torus Education has engaged experienced and highly qualified teachers who coaches the students with full dedication to face the written test of various examinations. Torus always believe in the best and provide the best. The excellent and highly qualified teachers are being encourages the students in the higher examinations, competitive entrance examinations, job-oriented courses, computer courses and tuition classes time to time. The marvelous result in various exams is the base of the dedication given by esteemed teaching faculty of Torus.

Torus Education train the students of India and enable them to face all demands in India or abroad. By the grace of Almighty the dream of Torus comes true by showing the excellent performance at various examinations.

Torus Education provide not only study material, regular test & quiz but do focus on every point from very first day which put effect on the preparation. We all know that the result of all small activities make a combined big effect for the growth of any person's life. Torus makes clear the vision of students. Torus generate the ability in the students to make the different types of queries on each & every topic and always follow the great teaching rules for solving the queries of students by giving the examples of their surroundings.

Our Mission

Our mission is to help students to achieve their educational objectives by giving something new in coaching classes and by making learning meaningful & joyful through interactive techniques and methods. Our mission is to provide quality education to every student and ensure his success. We claim that we are fully dedicated and committed to excellent education so that to build a sense of mutual trust and compassion between teachers and students, and to ensure that students are getting what they want to achieve had come.

We are also always ready to take all students in Torus whose financial condition is weak. But in return we need a promise from them - and that is their unwavering passion and hard work towards education. This mission brightens the prospects of a full career for our students and establishes the student's primacy. We make every effort to teach our students and as a result we have set small goals for them. We deliver this by molding our faculty, facilities and curriculum.

We believe that the success of our students ultimately depends on their ability to satisfy future employers. We therefore provide value-based quality education and mentoring to students to convert them into competencies whose skills will meet the contemporary needs of employers and prepare them to meet the challenges of the times to come.

During this process we strive to meet the highest practical standards, reflecting our commitment to the mission. We strive for better results in student satisfaction, program completion and most importantly career placement.

Our Vision

Our vision is to enable students to build strong concepts, make them more confident and face any academic challenges in the future. Our vision is to create such type of an educational environment that work for the overall development of its students, so that they can strengthen their talented and young minds to achieve the highest education and can achieve the best in their lives.

At Torus Education, we nurture students to realize their dreams through advanced learning method, to increase their confidence and ethics and to realize their full potential. Here, students gain an understanding of the courses for which they enroll and gain mentorship in career directions alongwith enhancing the educational process. They become the next generation of such professionals who will drive the country's economy towards growth and prosperity in future.

Our Core Values

Quick Solution

Where we anticipate student's needs, provide solutions to them before they ask.

Admission Process

1

Torus Education offers admission for any upcoming batch based on seat availability.

2

To enroll in any course by the student, first of all, he has to fill his registration form (offline or online) with a fee of Rs. 100.

3

After that a test of the student will be taken, which will decide that which level (general or target) of the batch to be assigned to student.

4

Admission is mandatory within a maximum of 2 to 3 days after the commencement of study.

5

At the time of admission, the student will have to submit his latest passport size one color photograph and an ID (Aadhar card or any other) along with the fee to the institute.

Note: At the time of admission, Rs. 100 of registration fee will not be adjusted towards the admission fee.

Rules of General Behaviour

Torus Education always strives to bring about radical changes in the development of human resources with positive qualities and creative thinking. And we have fully confident that all of you students will join us in making this effort successful by follow the following rules.

1. It is strictly forbidden to roam around in the torus campus with your friends or outsiders unnecessarily.
2. Students should maintain the dignity of the institute. Don't sabotage any thing and spread dirt in the institute. If found guilty, the name of the student can be cut or it can be fined or both.
3. Students should keep his/her mobile phone switch off or silent during the class. If found guilty Rs. 100 will be fined.
4. If the fee is not deposited on due date, the name of the student will be cut after 4 days and the payable fee and Rs. 100 will be charged as fine for re-written.
5. If any student is absent more than one week from the institute without written permission, then his/her name will be cut and will be re-written with a fine of Rs. 200.
6. The fees deposited in the institute will not be refund in any kind of situation.
7. All the above terms and conditions are provisional and are based on the discretion of the institute. The institute reserves all rights to change/amendment the above terms and conditions without any prior notice.

F.A.Qs (Frequently Asked Questions)

Qu. How does the institute conduct the course smoothly?

Ans. As you all know that Torus Education provide classes for different types of government jobs competitive exams, different types of entrance exams, tuition for different subjects from 5th to graduation and different types of computer courses. The institute tries its best to complete all these courses with a following strategy.

- * Providing appropriate material for the examination
- * Providing last year's question papers
- * To conduct practice through model test paper from time to time
- * Frequent attention to important questions
- * Providing information about the date of examination
- * Providing other information related to the exams

Apart from this, to make the students aware about the general information of the country and abroad studying in any course.

Qu. When do you start your new batch?

Ans. The batches of any course in torus education are based on the cyclical concept. According to this concept, upon completion of a batch, it is then restarted back to where it started earlier. Hence, a student can take admission at any time in the batch, he does not face difficulty of any kind. Yes, when a lesson is running in the middle, it may have difficulty for some days, because some basics are told at the beginning of the lesson.

Qu. If I enroll in an already running batch, how will my course be completed?

Ans. As already discussed, every batch of any course in the institute is based on a cyclical concept. So it does not matter when you join the institute.

Qu. Why should I take admission in Torus Education?

Ans. You must take admission in Torus Education because the courses are not taught here to the students in the old ways, but in such a way that they are also prepared for the competitive examinations.
